

K-LOVE has been an inspiration to my family, friends, and other members of my local community. It's wonderful to be able turn on the radio and hear great music and personal stories that touch upon our beliefs. With all the negative influences all around us, we need K-LOVE with its positive outlook on life. K-LOVE also announces local community events in which we can all get involved. Every day I hear how K-LOVE has touched, changed, or even saved someone's life. I know that K-LOVE lifts my spirits each and every day, and I don't know what I would do without it.

Thank you for your time and God Bless!
